By Car:

From Salisbury direction (on A338):

When the A338 meets the A31 Ringwood roundabout take the first exit onto the A31 dual carriageway towards Southampton / Winchester. Ignore the first exit to Poulner and continue up Poulner Hill. At the top of the hill, take the exit off the dual carriageway to Hangersley by the In Excess Garden Centre. Continue down the hill, ignoring the first turning on your right sign posted to Hangersley Hill. Look out for "Fernwood" on the left hand side, which has a sign on the fence. It is the house after "Woodpeckers", which has a circular reversing mirror on their brick entrance. If you get to the London Tavern at the bottom of the hill you have gone too far!

From Bournemouth direction (on A31):

Go past the turn off to Ringwood (stay in right hand lanes) and continue on the flyover past the main church and the town. Ignore the first exit to Poulner and continue up Poulner Hill. At the top of the hill, take the exit off the dual carriageway to Hangersley by In Excess Garden Centre. Continue down the hill, ignoring the first turning on your right sign posted to Hangersley Hill. Look out for "Fernwood" on the left hand side, which has a sign on the fence. It is the house after "Woodpeckers", which has a circular reversing mirror on their brick entrance. If you get to the London Tavern at the bottom of the hill you have gone too far!

From Southampton direction (on A31):

After following the A31 across the forest you will pass the exit for Burley (by the Picket Post services) After 1 mile look out for the exit sign posted to Hightown and Poulner. Turn right at the mini roundabout, which takes you over the A31 towards Poulner and continue until you reach a second mini roundabout by The White Hart pub. Turn right here into Gorley Road. Take the second turning on the right which is Linford Road. You will pass the London Tavern on the right hand side. Continue up the hill, past St John The Baptist's Church. The road then forks so keep right, around an S bend. You will go past a gravel track on the right and "Fernwood" is the second five bar gate / house on the right hand side.

If the gate is shut, please do not try to push it open, but press the button on the fence (driver's side) to open the electric gate. Please park in front of the five bar gate. Please come to the front door of the house to meet us unless we have made arrangements to leave a key.
